

We boast about our association with...

Genesis Advertising, Pune.

Genesis Advertising is a one of the most proactive advertising agencies in Pune, creating comprehensive solutions with mind blowing creativity. Genesis is a 360 degree media support from brochures to outdoor media to digital marketing to AV media. The porfolios ranges from toys to tractors and jewellery to generator.

Mr. Sanjay Satalkar leads the creative talent and is very stringent about delivery. Genesis chose TranslationPanacea for language support. We are happy to serve them for last 2 years. TranslationPanacea has translated corporate communication, marketing collateral, voice content into Indian and international languages. Mr. Mandhare of Genesis works closely with TranslationPanacea, says he has 'one less thing to worry about when there is a lot to deliver to various clients' when language part is handled by TranslationPanacea. "There is flexibility in the output format so it becomes easy for our artists too." Says Mandhare.

TranslationPanacea is thankful to Genesis for giving many opportuinites in various domains and our translators are always ready for challenging assignments. Look forward to the 'long inning' with Genesis!
